

M DREAM INWORLD LIMITED

聯夢活力世界有限公司*

(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8100)

FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 31 MARCH 2011

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of the issuer collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the issuer. The directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

Notes:

- (i) Hong Kong profit tax has been provided at the rate of 16.5% on the respective estimated taxable profits of the Company within the Company operating in Hong Kong during the Period (2010: Nil).
- (ii) Taxation on overseas profits is charged at the rates of taxation prevailing in the countries in which the companies operate. No overseas taxation has been made in the financial statements for the subsidiaries operating outside Hong Kong for the Period (2010: Nil).

5. LOSS PER SHARE

(a) Basic loss per share

The calculation of basic loss per share is based on the loss attributable to equity shareholders of the Company of HK\$1,316,000 (2010: HK\$2,197,000) and the weighted average of 1,621,694,771 ordinary shares (2010: 265,212,344 shares) in issue during the Period.

The weighted average number of ordinary shares for the purposes of calculating basic loss per share for the period ended 31 March 2010 and 31 March 2011 have been retrospectively adjusted to reflect the placement of shares in August 2010, the consolidation of shares in December 2010 on the basis of five shares consolidated into one share, and the open offer and its associated bonus issue taken place in January 2011.

(b) Diluted loss per share

No diluted loss per share has been presented as there were no dilutive events during the periods ended 31 March 2011 and 2010.

6. SEGMENT REPORTING

The Group manages its businesses by divisions, which are organised by a mixture of both business lines and geography. In a manner consistent with the way in which information is reported internally to the Group's most senior executive management for the purposes of resource allocation and performance assessment, the Group has presented the following two reportable segments.

- Sales of optical display equipment, components and related technology
- Provision of website development, electronic learning products and services

Note 1: 鴻源控股有限公司 (“Greatsource Holding Co., Ltd.”) is a PRC company which is controlled by Ms. Li Fang Hong, a former Director and former substantial shareholder of the Company, and her associate(s).

Note 2: KanHan Technologies was previously the shareholder of the entire equity interests of KanHan Education Services Limited (“KanHan Education”), a company incorporated in Hong Kong which is an indirectly wholly owned subsidiary of the Company. As at the date of this announcement, the ultimate sole shareholder of KanHan Technologies is also a common director for both KanHan Technologies and KanHan Education.

MANAGEMENT DISCUSSIONS AND ANALYSIS

BUSINESS REVIEW

During the Period there was no turnover generated from the optical display business. A minimal amount of display units was kept by the Beijing subsidiary and some effort was put in to try to dispose them, but there was no result produced due to the high competition of the market.

The e-learning business was stable in the Period and the turnover of it for the Period was HK\$695,000. With such turnover the profit contribution of this business to the Group was HK\$131,000. This indicates the good prospect of the business.

FINANCIAL REVIEW

Turnover

The turnover of the Group was approximately HK\$695,000 for the Period, representing a decrease of approximately 69.70% compared to the turnover for the period ended 31 March 2010 of approximately HK\$2,294,000.

Loss for the period

The loss attributable to the equity shareholders of the Company for the Period was approximately HK\$1,316,000 compared to loss attributable to equity shareholders of approximately HK\$2,197,000 for the period ended 31 March 2010. The improvement in the loss attributable to shareholders was due to tight management control on cutting down administrative expenses.

Capital structure

During the Period the Company has raised approximately HK\$104,889,000 by issuing 1,048,894,324 offer shares and 786,670,743 bonus shares in aggregate to the shareholders of the Company. Details of this open offer and bonus issue are set out in the Company's announcement published on 15 October 2010 and the circulars issued on 17 November 2010 and 29 December 2010. The changes in equity of the Company by this open offer and bonus issue are shown in note 7.

Foreign exchange exposure

During the Period the business activities of the Group were mainly denominated in Hong Kong dollars and Renminbi. The directors did not consider the Group was significantly exposed to any foreign currency exchange risk.

Significant investments

The Group had no significant investments during the Period.

Material acquisitions and disposals

The Group had no material acquisition or disposal during the Period.

DEALINGS FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has relied on Rules 5.48 to 5.67 of the GEM Listing Rules as the required standard of dealings in respect to any dealings in the Company's securities by the Company's Directors.

General and specific enquiries have been made to all Directors and they all confirmed they have complied with the said GEM Listing Rules during the Period.

OUTLOOK

The e-learning business is becoming the engine of growth now for the Group. The services to schools in producing e-learning materials have been started recently and hence the turnover will increase remarkably in the rest of the year. The profit guarantee before tax from this business is HK\$2,200,000 for this year and the Company is confident that such target will be achieved.

With the open offer completed in the Period bringing in approximately HK\$100,000,000 new capital, the Company is actively looking for investment opportunities. By carefully selecting investment with great potential, the Company believes the value of shareholders will be enhanced when appropriate investment is made.

OTHER INFORMATION

DIRECTORS' INTERESTS IN CONTRACT

Save as disclosed in note 10 above, none of the Directors had any interests in any contracts of significance in relation to the Group's business to which the Company or any of its subsidiaries was a party and in which a Director of the Company had a material interest, whether directly or indirectly, and which subsisted at the end of the Period or at any time during the Period.
