Redemption : The Noteholder(s) shall not have any right to require the Company to redeem any portion of the outstanding Convertible Notes.

The Company may redeem in whole or any portion of the outstanding Convertible Notes at any time after the date of issue of the Convertible Notes up to and including the Maturity Date.

REASON FOR THE ISSUE OF CONVERTIBLE NOTES AND USE OF PROCEEDS

The Company is an investment holding company. The Group is principally engaged in the provision of website development, electronic learning products and services.

The Directors consider that the issue of the Convertible Notes will provide the Company with immediate funding without immediate dilution of the shareholding of the existing Shareholders and, if the conversion rights attached to the Convertible Notes are exercised, the capital base of the Company will be enlarged. The net proceeds from the issue of the Convertible Notes of approximately HK\$19,500,000 will be used (i) as to approximately HK\$5,000,000 for financing the business of website development, electronic learning products and services; and (ii) as to approximately HK\$14,500,000 for future investments in e-commerce and/or other information technology related business as and when opportunities arise.
