Shareholders and potential investors are advised to exercise caution when dealing in the Existing Shares, and if they are in any doubt about their position, they should consult their professional advisers.

A circular containing, among other things, details of the Capital Reorganisation and a notice convening the SGM will be despatched to the Shareholders as soon as practicable.

PROPOSED CAPITAL REORGANISATION AND CHANGE IN BOARD LOT SIZE

The Board proposes to implement the Capital Reorganisation which involves the following:

- (1) the Share Consolidation; and
- (2) the Capital Reduction and the Share Subdivision.

As at the date of this announcement, the authorised share capital of the Company is HK\$800,000,000 divided into 80,000,000,000 Existing Shares of HK\$0.01 each, of which 1,954,124,877 Existing Shares have been allotted and issued as fully paid or credited as fully paid. On such basis, the Capital Reorganisation will involve:

(1) Proposed Share Consolidation

The Board proposes to effect the Share Consolidation pursuant to which every ten (10) issued and unissued Existing Shares of HK\$0.01 each will be consolidated into one (1) Consolidated Share of HK\$0.10 each and where applicable, the total number of Consolidated Shares in the issued share capital of the Company immediately following the Share Consolidation will be rounded down to a whole number by cancelling any fraction in the issued share capital of the Company which may arise from the Share Consolidation.

(2) Proposed Capital Reduction and Share Subdivision

- (a) the issued share capital of the Company will be reduced through a cancellation of the paid-up capital of the Company to the extent of HK\$0.09 on each of the issued Consolidated Shares such that the nominal value of each issued Consolidated Share will be reduced from HK\$0.10 to HK\$0.01;
- (b) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of HK\$0.10 each will be sub-divided into ten (10) New Shares of HK\$0.01 each; and
- (c) the credits arising in the books of the Company from (i) the cancellation of any fraction in the issued share capital of the Company which may arise from the Share Consolidation; and (ii) the Capital Reduction of approximately HK\$17,587,124 will be credited to the contributed surplus account of the Company within the meaning of the Companies Act.

Immediately following the Capital Reorganisation, the authorised share capital of the Company will be HK\$800,000,000 divided into 80,000,000,000 New Shares of HK\$0.01 each, of which 195,412,487 New Shares will be in issue and the aggregate nominal value of the issued share capital of the Company will be HK\$1,954,124.87 (assuming that there are no other changes in the issued share capital of the Company from the date of this announcement up to the effective date of the Capital Reorganisation).

A credit of approximately HK\$17,587,124 will arise as a result of the Capital Reduction. Such credit, together with any credit which may arise as a result of the cancellation of any fraction in the issued share capital of the Company arising from the Share Consolidation, will be transferred to the contributed surplus account of the Company within the meaning of the Companies Act which will then be applied by the Board to set off against the accumulated losses of the Company by the amount of such credit on the date of the Capital Reorganisation becoming effective. The total accumulated losses of the Company was approximately HK\$349,473,000 as shown in the unaudited consolidated financial statements of the Company as at 30 September 2014.

Shareholders and potential investor should note that the credits arising in the books from the Capital Reorganisation will be subject to change depending on the number of the Existing Shares in issue immediately prior to the Capital Reorganisation becoming effective.

Assuming that there are no other changes in the issued share capital of the Company from the date of this announcement and until the effective date of the Capital Reorganisation, the share capital structure of the Company will be as follows:

	As at the date of this announcement	Immediately after the Share Consolidation becoming effective	Immediately after the Capital Reorganisation becoming effective
Amount of authorised share capital	HK\$800,000,000	HK\$800,000,000	HK\$800,000,000

Number of authorised shares	80,000,000,000 Existing Shares	8,000,000,000 Consolidated Shares	80,000,000,000 New Shares
Amount of issued share capital	HK\$19,541,248.77	HK\$19,541,248.70	HK\$1,954,124.87

Amount of unissued share capital	HK\$780,458,751.23	HK\$780,458,751.30	HK\$798,045,875.13
Number of unissued shares	78,045,875,123 Existing Shares	7,804,587,513 Consolidated Shares	79,804,587,513 New Shares

All New Shares will rank *pari passu* in all respects with each other.

Under the laws of Bermuda, the Directors may apply the contributed surplus in any manner permitted by the laws of Bermuda and the bye-laws of the Company.

Fractional entitlement to New Shares

Fractions of the New Shares, if any, arising from the Capital Reorganisation will be aggregated and sold (if a premium, net of expenses, can be obtained) for the benefit of the Company.

Conditions of the Capital Reorganisation

The Capital Reorganisation is conditional on:

- (i) the passing of the necessary special resolution by the Shareholders to approve the Capital Reorganisation at the SGM;

- (ii) the Stock Exchange granting the listing of, and the permission to deal in, the New Shares arising from the Capital Reorganisation and the New Shares which may fall to be allotted and issued (i) upon exercise of the share options to be granted under the share option scheme of the Company; and (ii) as the Tranche II Performance Shares and the Shortfall Performance Shares;
- (iii) the compliance with the relevant procedures and requirements under the laws of Bermuda and the GEM Listing Rules to effect the Capital Reorganisation; and
- (iv) the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required in respect of the Capital Reorganisation.

Reasons for the Capital Reorganisation

The Board is of the opinion that the Capital Reorganisation will provide the Company with greater flexibility in possible fund raisings in the future. Further, the credit in the contributed surplus account within the meaning of the Companies Act arising from the Capital Reduction will enable the Company to set off part of its accumulated losses and may facilitate future distribution to the Shareholders.

The Board considers that the Capital Reorganisation is beneficial to and in the interests of the Company and the Shareholders as a whole.

Effects of the Capital Reorganisation

Implementation of the Capital Reorganisation will not, of itself, alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests of the Shareholders, except for the payment of the related expenses. The Board believes that the Capital Reorganisation will not have any material adverse effect on the financial position of the Group and that on the date the Capital Reorganisation is to be effected, there are no reasonable grounds for believing that the Company is, or after the Capital Reorganisation would be, unable to pay its liabilities as they become due. No capital will be lost as a result of the Capital Reorganisation and, except for the expenses involved in relation to the Capital Reorganisation which are expected to be insignificant in the context of the net asset value of the Company, the net asset value of the Company will remain unchanged before and after the Capital Reorganisation becoming effective. The Capital Reorganisation does not involve any diminution of any liability in respect of any unpaid capital of the Company or the repayment to the Shareholders of any paid up capital of the Company nor will it result in any change in the relative rights of the Shareholders.

Listing and dealings

Application will be made to the Stock Exchange for the granting of the listing of, and permission to deal in, the New Shares arising from the Capital Reorganisation and the New Shares which may fall to be allotted and issued (i) upon exercise of the share options to be granted under the share option scheme of the Company; and (ii) as Tranche II Performance Shares and the Shortfall Performance Shares.

Subject to the granting of the listing of, and permission to deal in, the New Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

The New Shares will be identical in all respects and rank pari passu in all respects with each other as to all future dividends and distributions which are declared, made or paid. All necessary arrangements will be made for the New Shares to be admitted into CCASS.

Free exchange of share certificates

Subject to the Capital Reorganisation becoming effective, Shareholders may, on or after Wednesday, 1 April 2015 until Wednesday, 13 May 2015 (both days inclusive), submit share certificates for the Existing Shares to the Company's branch share registrar and transfer office in Hong Kong, Tricor Tengis Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong, to exchange, at the expense of the Company, for new share certificates for the New Shares (on the basis of ten (10) Existing Shares for one (1) New Share). Thereafter, certificates for Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the New Shares, whichever the number of certificates cancelled/issued is higher. After 4:00 p.m. on Monday, 11 May 2015, existing share certificates for the Existing Shares will only remain effective as documents of title and may be exchanged for certificates for New Shares at any time but will not be accepted for delivery, trading and settlement purposes.

The colour of the new share certificates for the New Shares will be announced by the Company in due course.

Change in Board Lot Size

At present, the Existing Shares are traded in board lots of 20,000. Upon the Capital Reorganisation becoming effective, the board lot size for trading of the New Shares will be changed from 20,000 to 5,000.

The estimated market value per board lot of the New Shares will be approximately HK\$3,850 (based on the adjusted closing price of HK\$0.77 per New Share assuming the Capital Reorganisation had become effective on the date of this announcement).

The change in board lot size will not result in any change in the relative rights of the Shareholders. The Directors consider that the change in board lot size will result in New Shares being traded in a more reasonable board lot size and value.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the New Shares arising from the Capital Reorganisation and the change in board lot size, the Company will appoint a securities firm to provide matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the New Shares to make up a full board lot, or to dispose of their holding of odd lots of the New Shares.

Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders in relating to the Capital Reorganisation and the change in board lot size. Holders of odd lots of the New Shares should note that the matching of the sale and purchase of odd lots of the New Shares is not guaranteed.

Adjustments in relation to other securities of the Company

As at the date of this announcement, there are Tranche II Performance Shares and the Shortfall Performance Shares (i.e. up to 184,204,967 Existing Shares) which may be allotted and issued by the Company.

The Directors will determine if any adjustments are required to be made in respect of the above as a result of the Capital Reorganisation. The Company will make further announcement(s) about the adjustment(s) in due course if and when appropriate.

Save as disclosed above, as at the date of this announcement, the Company has no other outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Shares or New Shares, as the case may be.
