POSITIVE PROFIT ALERT

This announcement is made by GET Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) and the Inside Information Provisions (as defined under the GEM Listing Rules).

The board (the “Board”) of directors (the “Directors”) of the Company wishes to inform the shareholders of the Company and potential investors that based on the preliminary review and analysis of the latest available unaudited management accounts of the Group, the Group is expected to record a net profit attributable to the owners of the Company of not less than HK\$23.8 million for the three months ended 31 March 2015 (the “Relevant Period”) as compared to a net profit attributable to the owners of the Company of approximately HK\$4.1 million for the three months ended 31 March 2014. The expected net profit of the Group for the Relevant Period is mainly derived from (1) the operating profit contributed by Apperience Corporation (a non-wholly owned subsidiary of the Company) and its subsidiaries, which are principally engaged in the research, development and distribution of software for personal computer performance, anti-virus software, mobile applications and toolbar advertisement during the Relevant Period and (2) the fair value gain on financial assets through profit or loss (“Fair Value Gain on Financial Assets”) of approximately HK\$34.0 million during the Relevant Period. The increase in net profit for the Relevant Period as compared to that for the corresponding period in 2014 was mainly attributable to the Fair Value Gain on Financial Assets, despite that such net profit was partially offset by the loss on disposal of available-for-sale investments of approximately HK\$13.0 million for the Relevant Period.

* For identification purposes only

As the Company is still in the process of preparing and finalising the unaudited consolidated financial results for the Relevant Period, information contained in this announcement is only based on a preliminary assessment of the unaudited management accounts of the Group and information currently available. It is not based on any data or information being audited or reviewed by the auditors of the Company. There may be adjustments following further review and finalisation of the unaudited management accounts of the Group by the Board.

Further information and other details of the Group's financial performance for the Relevant Period will be disclosed in the forthcoming quarterly results announcement in due course.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.
