## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

## **APPENDIX I      EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE**

---

*The following is an explanatory statement required by the GEM Listing Rules to be sent to all the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the grant of the Repurchase Mandate.*

### **1.      SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 444,448,237 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the AGM in respect of the grant of the Repurchase Mandate and assuming that the total number of Shares in issue remains the same at 444,448,237 Shares from the Latest Practicable Date up to the date of passing such resolution, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to 44,444,823 Shares, representing approximately 10% of the number of issued Shares as at the date of the AGM.

### **2.      REASONS FOR REPURCHASE OF SHARES**

The Directors believe that the grant of the Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

### **3.      FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of continuance and the Bye-laws, the Companies Act, the laws of Bermuda and/or other applicable laws, as the case may be.

---

**APPENDIX I      EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE**

---

The Companies Act provides that a company may only repurchase its own shares out of capital paid up on its shares to be repurchased, or out of funds of the company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made by the company for the purpose of the repurchase. Any amount of premium payable on a repurchase over the par value of the shares may only be effected out of either funds of the company that would otherwise be available for dividend or distribution, or out of the company's share premium account. Further, such repurchase may not be made if, on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the company is, or after the repurchase would be, unable to pay its liabilities as they become due.

**4.      IMPACT OF REPURCHASES**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2018) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

**5.      DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates has any present intention to sell any Shares to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, nor has he/she/it undertaken not to sell any Shares held by him/her/it to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

**6.      UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, they will exercise the power of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, all the applicable laws of Bermuda, and the memorandum of continuance of the Company and the Bye-laws.

**7.      TAKEOVERS CODE IMPLICATIONS**

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases and such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of a repurchasing company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors are not aware of any Shareholder or a group of Shareholders acting in concert who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such extent that will result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

**8.      GENERAL**

In the six months preceding the Latest Practicable Date, the Company had not repurchased any Share on the Stock Exchange or otherwise.

---

**APPENDIX I      EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE**

---

**9.      MARKET PRICES OF SHARES**

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange in the last 12 months are as follows:

<b>Month</b>	<b>Highest <i>HK\$</i></b>	<b>Lowest <i>HK\$</i></b>
<b>2018</b>
